From composer Taku Iwasaki comes the beautifully haunting melodies of the Samurai X OVAs that fans simply can't forget. Fitting perfectly with the dark overtones of the series, this gorgeous score makes listeners relive Rurouni Kenshin's early struggles as the Battosai and gives true power and emotion to the animated series.

Echoing the whimsical mood of the animated series, this collection takes some of the most playful vocals from the OVAs and tosses them together. Revisit a future of fast paced fun with both versions of Starship Girl Yamamoto Yohko's main theme song "Shake It"! And don't miss out on the Latin beats behind Sakiko Tamagawa's "Devil's Cha Cha Cha" that will have you up and dancing every beat!

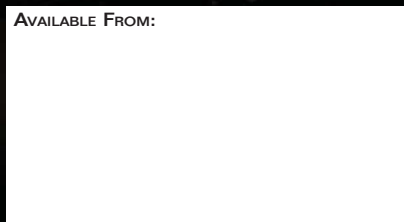

The unbelievable soundtrack to the anime hit horror-thriller that is Boogiepop Phantom! This 2 disc set is packed with a collection of some of the creepiest techno-laced tunes imaginable with a solid, pumping underground groove. From "Happy End" by Flare to "Angel in the Dark" by MYKN, the audio thrash of this roller coaster never lets you go. Boogiepop Phantom, are you ready to scream?

Inspired by "Boogiepop Phantom" and Others, Yuki Kaijura (NOIR, KOR, BLOOD THE LAST VAMPIRE) transforms music into a wonderland of variety. With musical styles ranging from light jazz and piano and to pop mixes, this CD pulls from the lighter side of the series with playful musical renditions rather than the darker tones found on the Original Boogiepop Phantom Soundtrack CD.
