the fans are listening™

Original Japanese music finally available at low domestic prices!!

ANIMEtrax™

ARE YOU

With sales of the newly re-mastered VHS / DVD release of Akira now reaching into the hundreds of thousands, this CD is a sure fired best seller! Akira Symphonic Suite, by Gelnoh Yamashirogumi contains 10 great tracks (over 70 minutes!) of music from the movie. The companion booklet to this CD contains great background information on the music including how it was integrated and created!

AKIRA

Sin: The Movie

The phenomenally successful video adaptation of Ritual's best-selling video game gets the royal soundtrack treatment on this stunning collection of aural delights. Weighing in at 20 tracks with over 43 minutes of great music, this soundtrack is sure to be a hit among fans everywhere!

From Kenji Kawai, composer of Patlabor, comes the memorably playful music to the Irresponsible Captain Tylor TV Series! Containing the original Japanese opening and closing songs, plus the vocal "Strange Lover," this is a CD that no Tylor fan can be without! As a bonus, there's a special introduction from the creator of the show - Hitoshi Yoshioka!

THE IRRESPONSIBLE CAPTAIN TYLOR

READY FOR THE RUSH?

THE IRRESPONSIBLE CAPTAIN **TYLOR**

The OVA Collection

A perfect companion piece to the recently released OVA series on DVD! There was no editing when this favorite was brought over from Japan! It contains everything a fan could want including 40 tracks of great music, voice clips from the Japanese version of the show, in-depth explanations of the events behind each audio track and a translation of the remixed version of "I'll Always Be Looking At You."

MACROSS II

From the hard rocking back beat of "Scooper" to Mika Kaneko's gentle vocals in "Deja Vu", this soundtrack has something for everyone! Perfectly matched to the Macross II story, the music will draw fans back into the struggle to save the world from the Zentraedi.

MACROSS PLUS

From Yoko Kanno, acclaimed composer of Vision of Escaflowne and Cowboy Bebop, comes Macross Plus - one of her most well-known and best-loved compositions created in association with the Israel Philharmonic Orchestra. The 11 tracks on this CD include one of the most requested lyrical anime songs - "Voices" with vocals by Akino Arai.

MACROSS PLUS II

An amazing encore to her first Macross Plus soundtrack, Yoko Kanno continues to thrill audiences with second additional of music from the Macross Plus Series. This 15 track disc features a special acoustical rendition of the hit song "Voices."

Look for more great AnimeTrax releases each month to keep fans coming back!
