# DON'T SAY WE DIDN'T WARN YOU!

A splendidly sinful climax... All good things must come to an end eventually, but for a series that bathes in debauchery and rides the razor's edge between pain and pleasure... what could be its curtain call?

**BINDING:** Masaki is just an average journalist hoping to find a story. But the only thing he finds is himself, robbed by a thief! Stranded, without his train ticket, things are starting to look bleak, that is... until he runs into Miyuki, the girl of his dreams... literally! Miyuki puts him up for the night at a gorgeous mansion filled with nothing but sexy women! A luscious red-headed maid, a playful blonde school-girl, and a saucy dominatrix... just a sample of the sensuous story that awaits him...

**FALLEN ANGEL RINA:** Idol-singer Rina's career is starting to look very promising, but when she hears of her father owes a large amount of money to the mob, she agrees to sign her record contract over to them to pay off the debt. Little does Rina know that she'll be signing her life and body over to them as well! At the complete mercy of her new owners, she begins to undergo a drastic change in image... from being an untouchable idol to a sleazy sex toy...
