Akira

Countdown

Hiroyuki Utatane's famous adult manga springs to life in this great erotic tale of forbidden love!

Who needs to have a reason for sex? Akira's handsome enough to get any girl he wants, any time. And the endless parade of women might be enough for everyone else, but Akira's passion is only truly ignited by one person: a beautiful, internationally-renowned model, who just happens to be his sister.

It matters little whether he's trysting with the dark-haired Yoshiko or having a quick office fling with his sister's sexy agent, Akira is obsessed with the one person he cannot have. Who will be burned by this unnatural, but tempting obsession? Will it be the beautiful Kaname who's torn in by her desire for the unfeeling Akira, or will it be Akira himself when he is reunited with his object of desire?
