Her death has left her students with feelings of confusion, pain, and above all else...anger. Four of her male students, Masayoshi, Daisuke, Mitsuru and Shinya, are determined to uncover the truth. They soon discover an important clue: Professor Yuko's planner had been marked on the very night she was killed marked with the names of seven girls.

With this evidence, the boys begin their investigations...and they'll use any method required in order to find the murderer.
